New Limited Time Discount on the Aruba 1430 Switches via HPE Flex Offers

The Aruba Instant On 1430 Switch Series is a plug-and-play unmanaged switch series for small businesses looking for simple, reliable, and low-cost network connectivity. These easy-to-use switches deliver Layer 2 Gigabit Ethernet switching capabilities—at an affordable price point—to help connect and share common resources like printers and access points, without any complicated network configuration. With plug-and-play operation, fully automated functions, zero ongoing maintenance, and Power over Ethernet (PoE) models, these switches deliver simple, reliable connectivity for the smallest SMBs and home offices.

For a limited time only, get the best price (up to 3% dicount) when you purchase 5 1430 Aruba Instant On Switches via HPE Flex Offers.

Only available through iQuote HPE Flex Offers.
Please contact your preferred distributor for more details.
